ABOUT OUR COMPANY

A Brief Story About The Company

Our company was established with the objective of importing safe, high-quality pharmaceutical products into Afghanistan in full compliance with international standards, while creating sustainable value for the healthcare sector. We operate on the principles of professionalism, transparency, and legal compliance to earn and maintain the trust of patients, healthcare institutions, and business partners. In close collaboration with reputable international manufacturers, the company manages pharmaceutical importation, product registration, distribution, and marketing activities. Our focus is to ensure the timely availability of essential medicines at competitive prices, while maintaining consistent quality to effectively meet healthcare needs.

Through a long-term strategic vision, a strong logistics network, and a highly skilled professional team, we strive to position ourselves as a reliable and leading pharmaceutical import company. Quality, trust, and sustainable growth are the core values that guide our direction and define our future.

VISION

To become one of Afghanistan's most trusted, reliable, and professionally managed pharmaceutical import companies by ensuring sustainable access to safe, effective, and high-quality medicines, while actively contributing to the long-term development and stability of the national healthcare sector.

MISSION

01

02

To import and distribute high-quality pharmaceutical products from reputable international manufacturers

To maintain full compliance with Afghan regulatory frameworks and international pharmaceutical standards
To operate with transparency, accountability, and efficiency across all business processes

03

04

To establish and maintain long-term, strategic partnerships with global pharmaceutical manufacturers

To contribute positively to public health, market stability, and ethical pharmaceutical trade practices

MAJOR FACTOR

01 Infrastructure

We operate modern warehouses with temperature control and strict quality checks. Our logistics network ensures fast and safe delivery across Afghanistan.

02 Talent

Our team consists of skilled professionals with extensive experience in pharmaceutical import, distribution, and healthcare services. Their expertise ensures efficient operations, high-quality standards, and reliable service to our partners.

03 Operational Methods

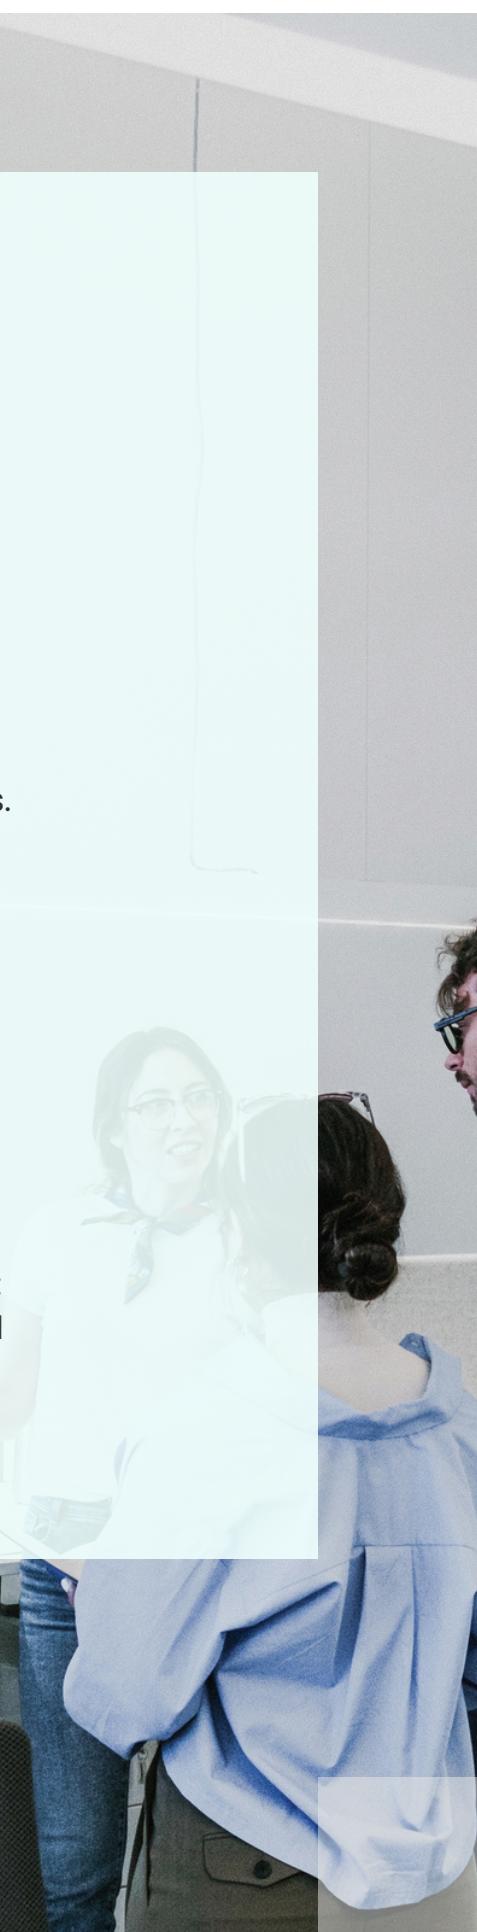

We follow efficient and transparent processes for product registration, import, storage, distribution, and marketing. Our streamlined operations ensure timely delivery, regulatory compliance, and consistent quality.

04 Resource Allocation

We strategically allocate our resources—financial, human, and logistical—to ensure efficient operations, timely delivery, and high-quality services across all areas of our business.

STRENGTHS

- Competitive Pricing: We offer the best prices while maintaining high-quality standards
- Innovative Mindset: Our team continuously seeks creative solutions to meet market needs.
- Modern Platform & Website: Recently built digital platforms enhance our services and accessibility.
- Strong Brand Image: We have established a reliable and recognizable brand in the market.
- Good Quality of After Sales After-Sales Quality: Committed to excellent customer support and service.

OPPORTUNITIES

- New Market Target
- Millennials Awareness
- New Public Infrastructure
- Capital Investment Potential

INTERNATIONAL BUSINESS PARTNERS - INDIA

Dawood Asif Trading Company maintains official, professional, and long-term commercial relationships with reputable Indian pharmaceutical manufacturers, including:

- Kaizen Pharmaceuticals (India)
- Salus Pharmaceuticals (India)
- Neuro Vision Pharmaceuticals (India)

These partner manufacturers operate production facilities compliant with WHO-GMP and internationally recognized pharmaceutical quality standards. Product manufacturing, quality control, and batch documentation are managed by the respective manufacturers, while Dawood Asif Trading Company is responsible for lawful importation, regulatory approvals, customs clearance, distribution, and market supply within Afghanistan. All partnerships are based on transparency, compliance, documented agreements, and long-term strategic cooperation.

PRODUCT OVERVIEW

A Brief Story About The Product

Our products are carefully sourced from reputable international manufacturers to ensure safety, efficacy, and consistent quality. Ranging from tablets, capsules, syrups, injectables, to healthcare supplements, each product is designed to meet the healthcare needs of patients while complying with global standards.

Internet of Things

Provide a comprehensive and effective description of each product in turn. The extent of our exploration in addressing community and market issues can be indicated by the quantity of products and services we offer.

Artificial Intelligence

Describe one by one the products we have in detail and effectively. The more products/services we have, it can show the level of our exploration towards solving community and market problems.
